SCEINTIFIC LECTURE SERIES – 2025

26th IPS Science Talk, 30th-August, 2025, 7.00 PM (IST)

Lecture 40:- Dr. Sugumar Venkataramani

Department of Chemical Sciences, IISER, Mohali

Title: **Light Modulation of Properties and Functions in Azoheteroarene photoswitches**

Lecture 41:- Prof. Amitabha Chattopadhyay

Centre for Cellular & Molecular Biology, CCMB, Hyderabad

Title: **Cholesterol-sensitive Endocytosis of G Protein-coupled Receptors: Excitements and Challenges**

Lecture 42:- Prof. Gourisankar Ghosh

University of California San Diego, La Jolla, CA, USA

Title of Talk: **“Tracing the source of neurological diseases”**

Organized by:-

Indian Photobiology Society, Kolkata, India

In Association with:-

Department of Chemistry, Assam University, Silchar, Assam
&

School of Applied Sciences, KIIT Deemed to be University,
Bhubaneswar, Odisha
