

Indian Society of Photobiology
Department of Chemistry, Indian Institute of Technology
Bombay

Mini Lecture Series

June 23, 2025

Seminar Room (Room 350), 2nd floor, Chemistry Annex, IIT Bombay

1430

Molecular Fluorescence: From Conventional Studies to Plasmon-Coupled Emission

Sharmistha Dutta Choudhury

Radiation & Photochemistry Division, Bhabha Atomic Research Centre,
Mumbai

1515

Development of Potential Strategies from Simple Ideas

Nitin Chattopadhyay

Department of Chemistry, Jadavpur University
Kolkata

1615

Tea

1630

Protein-based post-translational modifications (PTMs) regulate target-protein stability

Sri Rama Koti Ainavarapu

Department of Chemical Sciences
Tata Institute of Fundamental Research (TIFR) Mumbai
